- Unit 2: Football and its impact
- Unit 3: Do you understand me?
- Unit 4: Don't take it too seriously!
- Unit 5: Non physical sports
- Unit 6: Identifying my strengths and weaknesses

Service & Action

Action (learning by doing and experiencing) is a key component in constructivist models of education, including the kind of teaching and learning common to all IB programmes. Service, as a subset of action, has always been a shared value of the IB community. IB learners strive to be caring members of the community who demonstrate a personal commitment to service, and act to make a positive difference to the lives of others and to the environment. The MYP aims to help students develop their personal understanding, their emerging sense of self and their developmentally appropriate responsibility in their community.
